The sixth project in the Real de La Quinta Residential Country Club Resort®, Mimosas, enjoys one of the finest locations within the entire resort with views to the mountains, the Istán Lake and the coast.

Wonderful ground floor apartment villa gardens built over two floors with their leisure area allowing for development as an office, gymnasium, cinema, games room, sauna or any other use that the proud owners choose to give it spacious first floor apartments with large terraces and our luxurious top floor super penthouses. Every home has its own private swimming pool in addition to the large communal pools.

A Stunning Location

Mimosas, enjoys one of the finest locations within the entire resort with amazing views to the emblematic La Concha Mountain, the exceptional Istán Lake and spectacular, panoramic sea views to the coast, inviting unbridled enjoyment of the climate and sunshine of Andalusia. Although it is merely minutes from Marbella and Puerto Banús, it breathes a different, fresher air. This new development in Marbella is the latest evolution of a concept that seamlessly blends modern living with a deep respect for nature. As with everything within the residential resort, this development is conceived to become an integral part of the landscape, ensuring a careful and sustainable approach to construction that respects natural contours of the land. This maximizes its superb position for panoramic views across the entire resort. Whether you are looking for a modern home or an investment opportunity, Mimosas is a standout among new developments in Marbella. Discover these apartments for sale in Marbella and find your dream home at Elegant Homes Marbella. The construction of Mimosas is proposed in two phases, corresponding to the 2 distinct levels of the prime hillside position upon which will sit our finest development to date.
